Committees:

Show:

1. Debbie reported she expects the premium list to be back soon for review and correction of any errors. It will be available for review by appropriate committee chairs when received. She showed an example of a group prize of an animal medical bag. She is planning on looking into the cost of having the club logo embroidered on the side.
2. Parking: Volunteers are needed. Wednesday is generally the busiest day/night. However Thursday and Friday are also busy and often overlooked. Even if you can volunteer for an hour it would be helpful. Kimbra Wood with ICCKC is the person to contact to schedule a time. Grounds people need to block parking around Western Town to reserve it for judges, stewards and hospitality.
3. Trophies: Nancy Christensen is working on trophies. Danie volunteered to help with the trophy table if Irish Setters can be scheduled first thing in the morning. That would free her up for the balance of the day.
4. LBKC will have their trailer there early Wednesday morning. Need help to unload and then again load up Sunday after the show.

Match: This fall is ICCKC's. They have scheduled it for Septemer 11 (confirmed this the correct date) at Ann Morrison park.

Agility: Next trial is the October shows and the premium list is out.

By Laws Changes: Karen not at the meeting. Per Debbie they have been reviewed and recommended changes made. They just need to be presented to t he membership for approval. Apparently the recommended change for meeting night will be the third Tuesday of the month.

Unfinished business: Change of location – Mitch did call one person at the Armory and is waiting for a call back to see if this might be a possibility.

Fall potluck at Rick and Debbie's will probably be in September the weekend following the Farmington shows. The club will provide the meat, and participants bring a dish. You can coordinate what you bring with Debbie. Just so everyone knows, Mary is bringing baked beans! Eat around 5:00 with a quick meeting after. For those of you with hunting dogs we are planning a bird work demonstration with upland game birds.

Baby gate posts – Mitch as purchased.

New business:

1. Member Marilyn Edwards' father has recently passed away. The club is looking into an interest of his that we could make a donation in his memory. Secretary will send a card from the club.
2. Things to generate more interest from club members:
Dock diving – present at Blackfoot shows – seemed to generate a great deal of interest and participation but would need some research as to how the equipment was brought in and just in general how it was run.
3. Nelda mentioned possibly club representation at area parades. Gail volunteered to do some research into this possibility.

Motion made and approved and meeting adjourned at 7:41 p.m.

Respectfully submitted,
Ket Ayling, Secretary
